

# Trust the LASIK doctor that other doctors trust.

Other doctors trust Dr. Rutzen to perform their LASIK surgery because he has 15 years of experience performing LASIK, and he personally does the preop evaluation, surgery, and postop care. Dr. Rutzen has impeccable credentials and is a respected leader in the field of LASIK through his lectures, research, and teaching.

Trust Dr. Rutzen to perform *your* LASIK surgery.

Call today to schedule your  
free LASIK screening.
