

Information & Policies

Your appointment may take up to 2 hours. If we decide to dilate your pupils, your vision may be a bit blurry. You may want to bring someone to drive you home. If you have any questions about this, please call.

REGISTRATION

Please arrive 15 minutes prior to your appointment time to complete the registration process.

INSURANCE

We participate with a wide variety of insurance plans. Please bring your insurance card(s) with you so we can verify that we have the correct information to bill your insurance company. You will be asked to pay for all non-covered services at the time of the visit.

Patients with co-pay, coinsurance, and/or deductible requirements must pay at the time of their visit. If you are not prepared to pay, you may be asked to reschedule your appointment.

We accept cash, Visa, Mastercard, American Express, and personal checks for payment. If your personal check cannot be processed because of insufficient funds in your account, you will be charged \$40. Medicare patients needing refraction (measurement for glasses) will be charged \$45 at the time of service.

REFERRAL

If your insurance plan requires you to have a referral, you must bring a copy with you. Without the referral, you may be asked to reschedule your appointment.

MEDICAL HISTORY

Please bring your eyeglasses as well as a list of all medications that you are currently taking and the dosage. If this is your first visit to our practice, please bring any previous medical records and test results.

CANCELLATION / RESCHEDULING

Please call 410-975-0090 if you need to cancel or reschedule your appointment. We would appreciate at least a 24-hour advance notice for any appointment cancellation.
